The Russian republics, in freedom united, Have sunlight of freedom has shone through the tempest, And
army in action has grown in its power, And

thus they created the great Soviet Union, The
Stalin has shown us that faith in the people, In
fate of the future is sealed by our bravery, And

THE RUSSIAN COMMUNIST Hymn

The Russian republics, in freedom united, Have sunlight of freedom has shone through the tempest, And
army in action has grown in its power, And

mus - tered their pow - er, their glo - ry, their pride, And
Lenin has lighted our path with his flame, While
soon it will wipe out the enemy horde; The

Le - nin has light - ed our path with his flame, While
soon it will wipe out the enemy horde; The

Le - nin has light - ed our path with his flame, While
