In March Tempo

The first system of the musical score consists of a vocal line and a piano accompaniment. The vocal line is in G major and 2/4 time, starting with a forte dynamic. The lyrics are: "In the dawn's light faint-ly gleam-ing, Stand the Ут-ро кра-сит неж-ным све-том сте-ны". The piano accompaniment features a rhythmic pattern of eighth notes in the right hand and a steady bass line in the left hand.

The second system continues the vocal line and piano accompaniment. The lyrics are: "an-cient Krem - lin walls, And the land no long - er древ - не - го Крем - ля, про-сы - па - ет - ся с рас -". The piano accompaniment maintains the same rhythmic pattern, with some chordal textures in the right hand.

The third system concludes the vocal line and piano accompaniment. The lyrics are: "dream - ing, Now a - wakes as morn-ing calls. Though the све - том, вся со - вет - ска - я зем - ля. Хо - ло". The piano accompaniment continues with the established rhythmic pattern, ending with a final chord.

Days are bright and growing longer,  
 While the streets grow louder still,  
 Children's voices ever stronger  
 Now are heard more loud and shrill.  
 Maytime flowers spread their splendour  
 Over Moscow's ancient streets,  
 Men and women homage render,  
 Ev'ry one with joy repeats:

We'll shout etc. etc. etc.

When the day is slowly fading,  
 Twilight falls and brings release  
 From the hardships of parading,  
 Ev'ning suddenly brings peace.  
 'Tis the time for meeting lovers  
 In the garden, in the park,  
 While the twilight gently hovers  
 Till it's night, and all is dark.

We'll shout etc. etc. etc.

Разгорелся день веселый,  
 Морем улицы шумят,  
 Из открытых окон школы  
 Слышны крики октябрят.  
 Май течет рекой нарядной  
 По широкой мостовой,  
 Льется песней необъятной  
 Над красавицей Москвой.

*Припев.*

День уходит, и прохлада  
 Освежает и бодрит...  
 Отдохнувши от парада,  
 Город праздничный гудит.  
 Вот когда встретаться парам!  
 Говорлива и жива,  
 По садам и по бульварам  
 Растекается Москва.

*Припев.*
